

M PUBLIC
FLOORSTANDS
BASIC
SERIES

AT Multibrackets we love big pictures. If you want to make a really epic presentation or watch entertainment the way it was supposed to, you need a great floorstand to match the displays capabilities. One hundred inches of high definition awesomeness. The way to present and the way to watch is way more important than most people think. As they say - there is just one time to make a first impression, and we want that to be a great one, whether it is a company presentation or watching the game with your friends. Our series of basic floorstands are built to deliver and adds flexibility and real quality to your set up. Designed in Stockholm, Sweden to provide outstanding performance with a sleek, flexible and easy-to-mov around design, it will give your visitors the impression you want to leave behind. With one of the largest selections available our floorstands are ideal for public, office and home use.

M PUBLIC FLOORSTAND DUAL PILLAR 180 HD

with AV Cabinet

Our M Public Dual Pillar 180 HD with AV Cabinet is a powerful and well-designed product suitable for multiple environments including education, corporate and digital signage.

With its lockable storage rack (the storage cabinet comes fully pre-assembled) it can store your AV components or videoconference tools. With its spacious cabinet it is perfect for video conferencing or any other corporate situation. Its massive capacity of up to 100" displays or 90kg weight capacity it is most suitable for larger displays. With its lockable castors makes the floorstand stay still where you want it. An intelligent and tool-less designed height adjustment built into the columns makes height adjustment possible. Cables & peripherals are neatly hidden within the backside of the columns making the installation look clean and easy to move around when needed.

HIGHLIGHTS:

- Heavy Duty Design with 90kg weight capacity
- Lockable AV Storage
- Ready for videoconference
- Camera shelf included
- Holds VESA up to 1000x600
- Toolless height adjustment
- Cable management built in
- Partially pre-assembled for quick assembly
- Full hardware kit included
